DEBRIEFING OF [REDACTED] WORKERS [REDACTED]

25X1A

25X1A

Friday, 28 November 1952 (4)

25X1A9a

Discussed IN 16046 at some length with DD/I, [REDACTED] 25X1A9a
 As a result of this discussion, it was decided that [REDACTED] and the O/SI man 25X1A9a
 25X1A9a who was planning to accompany [REDACTED] on [REDACTED] could go to [REDACTED] 25X1A9a
 around the 1st of the year to exploit the individuals mentioned in the cable.
 25X1A9a This is now to be discussed by [REDACTED] with DD/P people and I find that [REDACTED] 25X1A9a
 25X1A9a is the individual with whom [REDACTED] should talk. I checked with [REDACTED] and so 25X1A9a
 25X1A9a formed [REDACTED]. Until these talks have been held and until the State Department
 receives an answer to a cable they are sending out today, no decision can be
 made here.

25X1A9a

[REDACTED] called back later to say that this matter was discussed at the DD/P 25X1A9a
 Staff Meeting this morning and that [REDACTED] will be calling the DD/I late 25X1A9a
 in the day to raise the fear that if CIA representatives become involved in
 this debriefing operation, CIA may well find itself with the job of settling 25X1A9a
 hundreds and maybe thousands of emigres. [REDACTED] wished to make it very clear 25X1A9a
 25X1A9a that as [REDACTED] will be provided for the Agency representatives,
 and as up to this time CIA has never become involved in settling such people,
 25X1A9a [REDACTED] feels that this fear is unfounded.

25X1A9a

Followed up with [REDACTED] on the present status of IN 16046 which in- 25X1C
 25X1C formed us that substantial numbers of [REDACTED] 25X1A9a
 [REDACTED] informs me that DD/P's interest in this matter is being handled by [REDACTED] (X 3628) and that DD/P has sent a cable 25X1A9a
 to the field to obtain a local reaction to the facts presented by State. No further action is possible by DD/I and AD/IC until action is received from this cable and from State which has also cabled the field for more information.

Thursday, 4 December 1952 (4)

25X1A9a

[REDACTED] called to inform us that State Department has received an 25X1X6
 answer to its inquiry regarding the [REDACTED] and this reply
 indicates, as did DD/P's reply, that it is desirable to send a high-level
 interrogator to Hong Kong. I suggested that [REDACTED] study the problem and 25X1A9a
 give us a recommendation as to who should go and under what circumstances.
